

## Covid-19 Safety Expectations for In Showroom Appointments

- We require that you meet with a designer digitally before meeting with them in the showroom in order to minimize your time in the showroom
- We request you stay home if you aren't feeling well or if you've had close contact with anyone who has been ill at all
- You must arrive on time as appointments must end by their designated time, arriving late may require rescheduling for another day.
  - Same day appointments are currently unavailable.
- If you are coming from out of state, you must have abided by the state's quarantine mandate before we can meet with you in person
  - A mask must be worn at all times while in the building
- We have provided hand sanitizer for use by both our customers and employees, please use it often while working together
- Customers are not allowed to handle our samples at this time to help with our sanitation efforts. If a sample must be handled by a customer, NEW gloves will be provided
- You must remain with a designer for the duration of your appointment, designers are here to assist you and escort you through the showroom
- If you aren't currently working on a project, we cannot schedule an appointment at this time due to the limited availability
